

DECLARATION

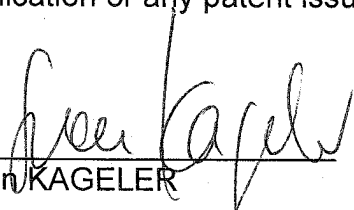

We, Sven KAGELER, Ginn YUH GAN and Abdul AZIZ ZULFIKAR,
hereby declare as follows:

We are all of the inventors of the subject matter of the United States Patent application serial no. 10/550,714. We are aware that in connection with the subject matter of this United States Patent Application, an Office Action was issued in which claims 12 and 27-29 were rejected under 35 U.S.C. 102(e) as being anticipated by the U.S. patent no. 7,197,961. Specific references were made to corresponding figures of the drawings and their description equivalents.

We herewith state that as applicants of the pending application serial no. 10/550,714, we are the inventors of the subject matter thereof. Any invention disclosed but not claimed in the reference was derived from the inventors of this application and is thus not the invention "by another".

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States

Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
